

Pullin' For Pink

Dear Potential Exhibitor,

In 2013, Greenville Fire/Rescue hosted its inaugural Pullin' for Pink Fire Engine Pull as a fundraiser benefiting all forms of women's cancer. For the first two years, this was part of The Pink Heals Tour which made a stop in Greenville. Last year, Greenville Fire/Rescue teamed up with Eastern Radiologists to continue the event and raise funds for local breast cancer programs and to provide assistance to breast cancer patients in Pitt, Lenoir and Beaufort Counties. The time has come to host the fourth annual Pullin' for Pink event in conjunction with Ride For the Ribbon. The event will take place October 6, 2018 at Eastern Radiologists Breast Imaging Center on Arlington Blvd. In addition to the Fire Engine Pull and Motorcycle Ride, there will be a health fair with free screenings, vendors, food and music. We feel that, in addition to all of the fun activities, it is important to provide valuable health information to spectators and participants.

We are reaching out to you today to extend an invitation for your business to participate as an exhibitor at the health fair. This event will serve as a networking opportunity and allow you to expose your business to a wide variety of participants while also offering health information to our community.

There is no fee for a booth, and we will provide you with a table and one chair set up in your booth space. If you prefer a tent, you will need to provide that. Set up will begin at 10:15, with the event running from 11:00 am-3:00 pm. For additional information, please contact Jenny Myers (252.931.7633) or Tanya Dixon (252.931.7722).

Please email a copy of this form to ridefortheribbon@easternrad.com or mail to: Pullin' For Pink/Eastern Radiologists, 2101 W. Arlington Blvd., Greenville NC 27834. The deadline for reserving your space in September 15th.
